**✓ Xi & FOMA connection**

Mobile broadband Internet connection service is offered with the High-Speed Mobile (Xi & FOMA) Course. A NTT docomo contract for the Xi service or FOMA High-Speed service is required, as well as compatible NTT docomo equipment.

**✓ What this form does**

This form allows you to apply for Individual Membership on the High-Speed Mobile (Xi & FOMA) Course.

**✓ Service areas**

NTT docomo's service area for the FOMA High-Speed service covers all of Japan.

**✓ Communication devices**

Compatible devices are available from NTT docomo. When making a contract with NTT docomo for the Xi service or FOMA High-Speed service, please choose a compatible device.

**✓ Speed**

There is no guarantee of service speed with this service. Factors such as communication environment and congestion will cause the speed to vary.

**✓ Fixed IP Address Plan**

The Fixed IP Address Plan will allow the same IP address to be assigned to each Internet connection. A fixed IP address is not available when connecting to the Xi service.
