

## NTT FLET'S ADSL (Max 47Mbps) and ASAHINet

By using the attached signup form you can apply for NTT's FLET'S ADSL service and ASAHINet membership (you need both to get connected to the Internet). NTT will supply you with an ADSL line and ADSL modem, ASAHINet will supply you with an account to connect to the Internet with. Benefits listed below will apply if NTT open their FLET'S ADSL service for you as a result of the application you make by completing the attached signup form.

### ASAHI Net's FLET'S ADSL campaign

<b>Benefit</b>	<b>No ASAHINet monthly charge for a maximum 4 months.</b> * FLET'S ADSL Course M Plan: 735 yen/month.
<b>When to apply</b>	Apply between 1st February 2012 and 29th February 2012.
<b>How to apply</b>	Use the attached signup form. We will pass your application to NTT. NTT will call you to tell you when they will open their FLET'S ADSL service.

#### Notes

- **Campaign only open to new NTT 8M~47M FLET'S ADSL applications**  
If you already use NTT's FLET'S ADSL service or have already made an application for it, this campaign is not applicable to you. This campaign is also not applicable to NTT's 1.5M FLET'S ADSL service.
- **Campaign only open to applications made through ASAHINet**  
FLET'S ADSL applications made **directly** to NTT East or NTT West will not receive the ASAHINet benefit.
- **Connect to FLET'S ADSL before 31<sup>st</sup> May 2012**  
Benefits will only apply if the first connection to FLET'S ADSL is made before 31<sup>st</sup> May 2012.
- **Keep using ASAHINet's service!**  
Cancel your membership within 12 months of NTT's opening date, or change to another ASAHINet Course, and ASAHINet will bill you for the total of ASAHINet's reductions.
- **Don't change to one of ASAHINet's Dial-up Course K Plans**  
If you change to one of our Dial-up Course K Plans, campaign benefits will not apply.
- **Applying for more than one campaign**  
If you apply for more than one ASAHINet campaign, only the latest application will take effect.
- **When campaign benefits will be applied**  
Should all campaign conditions be satisfied, campaign benefits will be applied from the month after FLET'S ADSL opening. It is possible that a delay in the start of benefits will occur for reasons outside our control: your understanding is appreciated.

### ASAHI Net's FLET'S ADSL Course M Plan

**FLET'S ADSL Course M Plan offers always-on connection to NTT's FLET'S ADSL service.**

Plan	Monthly base charge	Connection to NTT FLET'S ADSL
M	735 yen	Always-on

#### Notes

- In addition to always-on FLET'S ADSL connection, up to 5 hours of dial-up time is included. Excess dial-up time is charged at 5.25 yen/minute.
- 100MB of Web Space (for you to make your own homepage in, if you are interested in doing so) is also included. Excess Web space usage charged at 189 yen per month per 5MB excess.

### Broadband speeds

ADSL is a "best-effort" service, therefore factors such as line conditions and Internet congestion may cause the speed to lower: there is no guarantee for the actual speeds that will be achieved through use of this service.

- NTT will also charge a 840-yen contract fee and a 3,202.5 yen installation fee (Type 1 line).
- Type 2 NTT FLET'S ADSL charges are more expensive; contact NTT East or NTT West for confirmation of their charges or visit the above Web pages.
- All charges shown include consumption tax.

## IP-Phone-F service

IP-Phone-F is an IP-Phone service allowing calls to be made and taken using a telephone connected to the ADSL modem; you don't sit in front of your computer with a headset and speaker when using this service. Users of the FLET'S ADSL Course can apply for this service through ASAHI Net's Web page after they make their first FLET'S ADSL connection.

### Call Charges Overseas (a full country list appears on our Web page)

Country	Call Charge	Country	Call Charge	Country	Call Charge
Australia	20 yen/minute	India	80 yen/minute	New Zealand	25 yen/minute
Canada	10 yen/minute	Ireland	20 yen/minute	UK	20 yen/minute
China	30 yen/minute	Israel	30 yen/minute	USA	9 yen/minute

Visit our Web site for more information: <http://asahi-net.jp/en/service/ipphone-f/>

## IP-Phone equipment

Are you planning to use our IP-Phone-F service?

**No:** choose the "I will supply my own IP Phone equipment" option on the attached sign-up form.

**Yes:** you will need IP-Phone equipment. On the attached signup form choose the type of VoIP equipment you want. Note that IP-Phone service charges may be involved; (see above).

**Rental IP-Phone modem:** This device is exclusive to the FLET'S ADSL service. Choose this if you don't yet have an ADSL modem, or you want to replace your current rental ADSL modem.

**Rental IP-Phone capable broadband router:** Choose this if you already have an ADSL modem but want to replace your router, or are thinking about upgrading to a NTT fiber service in the future.

**Rental IP-Phone adaptor:** Choose this if you have an ADSL modem/router which you must continue using due to functions it has that are not present in the other devices. Important: your router must be UPnP-capable.

  - IP-Phone services.
  - Fixed IP address Option available. Ask or see our Web site for details.
  - Plenty more! Ask or see our Web site for details. <http://asahi-net.jp/en/>

## Broadband speeds

ADSL is a "best-effort" service, therefore factors such as line conditions and Internet congestion may cause the speed to lower: there is no guarantee for the actual speeds that will be achieved through use of this service.

## ASAHI Net's Introdncer Campaign **Campaign!**

The ASAHI Net member introducing you to ASAHI Net is eligible for 5,000 yen cash back payment should you enter their ASAHI Net User ID on the attached signup form and become an ASAHI Net member after sending your signup form to ASAHI Net. Please visit our Web page for campaign conditions:

<https://asahi-net.jp/en/join/campaign/syokai.html>

## How we make our charges

**Payment for individual memberships is by credit card only.** We accept a variety of cards including VISA, MasterCard, American Express, Diners, and most Japanese cards. Overseas credit cards are not a problem; however *the name of the cardholder must match that of the applicant.*

## How to cancel ASAHI Net membership

**Our cancellation policy states** that you must give us one month's notice. Since accounts can only terminate on the last day of a calendar month, this is equivalent to saying that if you request cancellation in a given month your account will terminate at the end of the *following* month; ASAHI Net will bill you for all services used up to and including the end of that following month.

# More About NTT's FLET'S ADSL Service

## Availability

NTT will accept your application if you live in an area they offer their FLET'S ADSL service. If you'd like to check in advance of making your application, contact NTT's English customer service at 0120-364-463 (NTT East), 0120-064337 (NTT West), or contact ASAHI Net. Alternatively make your application and then wait for NTT to contact you by phone about service availability (see below).

## Equipment

- **What you need to provide**
  - A computer that has a LAN card or LAN board.
- **What you will receive from NTT if you rent their ADSL modem**
  - An ADSL modem.
  - A length of 100BASE-TX/10BASE-T Ethernet cable of straight type (for connection between the ADSL modem and your computer's LAN card or LAN board).
  - A splitter and telephone cabling (if you made a Type 1 application).

## Special notes for English speakers

- If you use Windows XP, Windows VISTA or Mac OSX the software (PPPoE) you need to connect to the service is inbuilt. Please don't install NTT's Japanese software.
- There is no English-language documentation provided by NTT for this service.
- NTT's call (see below) may be in Japanese if they do not have English-speakers available. Please contact ASAHI Net if you have problems.

## NTT's phone call

When completing the attached signup form you will enter the day you want NTT to call you to discuss your application for their service. Enter a day that is at least 4 working days after the date of your application. NTT do not provide consultation on weekends or national holidays. The phone call may be in Japanese if NTT do not have an English-speaker available. NTT will confirm the type of FLET'S ADSL service you have applied for, and the date on which they will open the service for you. As a result of the discussion, you will enter into a formal contract with NTT for their FLET'S ADSL service. Please ask NTT any questions you have about their service. The day NTT make the phone call is not the day NTT's FLET'S ADSL service opens.

## About line types

- **Type 1 (voice and ADSL)**
  - ADSL is provided on an analog phone line. You can talk and use the Internet on the line at the same time.
  - If you don't already have a phone line, it is possible to use the attached signup form to apply for a new NTT analog phone line and Type 1 FLET'S ADSL by entering "NEW LINE REQUIRED". If you don't want a phone line but do want ADSL, make a Type 2 application.
  - Type 1 applications are not possible where the telephone line is used for security services offered by security companies, PBX systems, off-talk communication services. In such cases, please apply for Type 2 service.
- **Type 2 (ADSL only)**
  - For those who do not want or need a phone line but do want ADSL.
  - Select Line Type 2 on the signup form.
  - An ADSL-only line will be installed by NTT.
  - There may be cases when it is not possible to have a Type 2 line installed. Please contact your building administrator if unsure.

# ASAHI Net Individual Member Service Agreement

## 1: ASahi Net Individual Membership Service

1. The ASahi Net Individual Membership Service (hereafter called "the Service") shall refer to the (dial-up IP and BBS-based) Internet connection services, BBS services, and Personal Home Page service offered by ASahi Net, Inc. (hereafter called "the Company") to private individuals.
2. The Company reserves the right to make changes or additions at any time to the Service.

## 2: Individual Membership

1. By consenting to this agreement and using the Company's prescribed methods of sign-up for services desired, the applicant, if approved by the Company, will be recognized as a member (hereafter called "individual member"). Individual members, along with family members and business members (as defined elsewhere), will be hereafter referred to simply as "members."
2. The Company reserves the right to refuse membership in cases in which it judges there to be obstacles to the acceptance of an application.
3. Issuance by the Company of an individual member user ID and password shall constitute acceptance of Item 2.1 above.
4. The individual member may apply for any additional free or charged services offered by the Company upon acceptance of the terms of use, if any, specified by the Company for the service in question.

## 3: User ID and password management

1. The individual member bears full responsibility for the proper maintenance of the user ID and password.
2. It is not possible to transfer a membership (i.e. user ID and password) to another person.
3. The Company will bear no responsibility for any loss or damage resulting from the incorrect or inappropriate use, or use by a third party, of the user ID and password.
4. Should the user ID or password be forgotten, or the password stolen, the member shall contact the Company without delay.

## 4: Handling of personal information

1. Personal information provided by Individual members to the Company to enable provision of the Service can be disclosed to third parties in the following circumstances.
  - a. When the individual member gives their consent.
  - b. When a court order forces said disclosure.
  - c. When laws regarding the protection of personal information or other laws force said disclosure.

## 5: Use of information

1. Information obtained via the Service may be employed only for private use by individuals. Permission for any other use of such information must be obtained in advance from the copyright holder, if any, and the Company.

## 6: Reproduction of information

1. The Company reserves the right to take (or for its authorized representative to take) message content and other information contributed by individual members through use of the Service from specific local conferences and bulletin boards offered as part of the Service, and to reproduce this content in other media without prior permission of the contributor. That any information contributed may be reused without permission shall be clearly stated in such conferences and bulletin boards by the Company or its authorized representative.

## 7: Payment of fees

1. Individual members will pay fees as determined by the Company. The method of payment will be chosen from among those offered by the Company.
2. Fees may change at any time, with prior notification.

## 8: Prohibited behavior

1. The individual member promises to refrain from the following kinds of actions and behaviors in his/her use of the Service:
  - a. Infringing a copyright held by another member, the Company, or a third party.
  - b. Defamation or slander of another member, the Company, or a third party.
  - c. Anything that will bring disadvantage upon

- d. Publicity-seeking or propaganda-style activities.
- e. Generally anti-social behavior and that which violates commonly accepted moral standards.
- f. Activities which are illegal, or which push the limits of the law.
- g. Obstructing the operation of the Service.
- h. Violating the terms of use of a service or resource on the Internet.
- i. Obstructing the smooth operation of the Internet.
- j. Violating the terms of this agreement or the terms of use of optional services.
- k. Allowing a third party to use a member's Internet connection service, except when authorized by the Company.

## 9: Profit-motivated activities

1. Profit-motivated activities by members of the ASahi Net Individual Membership Service is limited to only those members who agree to bear full responsibility for their profit-motivated activities.

## 10: Deletion of posted content

1. The Company reserves the right to delete content posted by individual members in the following cases:
  - a. The Company judges that the content violates the prohibitions given in Section 8 or Section 9.
  - b. The "lifetime" (fixed length of time after posting) of the content has expired.
  - c. The Company judges that, for some other reason, the posting is inappropriate.
2. In the event that the Company deletes content posted by a member, it is under no obligation to reveal its reason for doing so.

## 11: Membership termination and reparations

2. The Company reserves the right to terminate an individual membership without prior notification in the following cases. Any fees already paid by the member will not be refunded.
  - a. The member performs some action or engages in behavior which the Company judges to be in violation of Section 8 or Section 9 of this agreement.
  - b. It is discovered that the member falsified information on his/her membership application.
  - c. The member is late in paying fees.
  - d. The member otherwise violates this agreement or the terms of use of an optional service.
3. An individual member who causes the Company to suffer loss or damage as a result of activities which violate this agreement or the terms of use of an optional service shall be held responsible for the payment of reparations to the Company.

## 12: Notification of changes

1. Individual members are required to notify the Company without delay when a change occurs in the member's name, home address/telephone, or payment method (credit card, etc).

## 13: Membership cancellation

1. Individual members are required to notify the Company of intent to cancel during the calendar month prior to the final month of membership, using one of the methods of notification specified by the Company. Cancellation becomes effective after the final day of the final month of membership.
2. When a membership is terminated, fees, etc. paid up until that time will not be refunded.

## 14: Suspension of services

1. Although the Company will endeavor to prevent outages of the Service and of optional services, these may be suspended temporarily due to scheduled or emergency maintenance, power outage, natural disasters and other unavoidable circumstances, or for other reasons.
2. When the Service or optional services are to be interrupted, an announcement to this effect will be made on ASahi Net's home page, by e-mail, or by whatever other means possible. In emergency situations, however, it may not be possible to give prior notice.

## 15: Termination of services

1. For any of a variety of economic, technical or other reasons, it may be necessary to permanently terminate all or part of the Service or of optional services. In the event that the Service

or an optional service is to be terminated, the Company will notify members at least one month in advance.

## 16: Limitations on the Company's responsibility

1. The Company will bear no responsibility for any loss or damage suffered by an individual member as a result of interruption of, or temporary or permanent stoppage of the Service or of optional services, for whatever reason.
2. The Company provides no guarantee that information received by an individual member through use of the Service or of optional services is in any way correct, complete, accurate, or useful.
3. The Company will bear no responsibility for any loss or damage suffered by an individual member resulting from the member's use of the Service or optional services.
4. If, through use of the Service or optional services, an individual member causes loss or damage to be suffered by another member or by a third party, the Company expects that the individual member in question will bear the responsibility for, and the expense of, its resolution. The Company will not bear the burden of any such loss or damage.
5. Regardless of Item 16.1 and Item 16.3, should The Company suffer liability damages related to the use of the Service or an optional service by an Individual member, in any circumstances excluding The Company's intent or negligence, the scope of liability in damages will be limited to the scope of the general damages actually incurred by the member. Furthermore the total amount will not exceed the amount of the charge (including consumption tax) The Company should receive from the member for the month in which the damages occurred.

## 17: Prohibition on sublet or transfer of rights

1. The right to use the Service or an optional service cannot be sublet to, or transferred to, another party.

## 18: Applicability of this agreement

1. In the event that an individual member makes use of an optional service, the terms of use of the optional service shall be considered an extension of this agreement. Should there be any discrepancy between this agreement and the terms of use of an optional service, the latter shall take precedence.

## 19: Scope of, and changes to, this agreement

1. Any additional rules or regulations of which the Company informs the individual members shall be considered an extension of this agreement.
2. In case the Company makes any additions or modifications to this agreement, it will make a prior announcement of the changes on the ASahi Net home page. After one month has passed following such notification, the individual member will be deemed to have consented to the update.

## 20: Effectiveness of this agreement

1. This agreement shall become effective as of such time as a user ID and password (c.f. Section 2.3) are issued by the Company.

## 21: Court of jurisdiction

1. In the event that a dispute arises between an individual member and the Company over this agreement, the exclusive jurisdictional court of first instance will be either Tokyo Regional Court (TOUKYOU CHIHOU SAIBANSHO) or Tokyo Summary Court (TOUKYOU KAN'I SAIBANSHO).

[Agreement effective: June 1st, 2011]
