✓ FOMA High-Speed

Mobile broadband Internet connection service is offered with the High-Speed Mobile (Xi & FOMA) Option. A NTT docomo contract for the Xi service or FOMA High-Speed service and compatible NTT docomo equipment is also required.

✓ What this form does

This form allows you, an ASAHI Net Individual member, to add the High-Speed Mobile (Xi & FOMA) Option to your ASAHI Net account.

✓ Service areas

NTT docomo's service area for the FOMA High-Speed service covers all of Japan.

✓ Communication devices

Compatible devices are available from NTT docomo. When making a contract with NTT docomo for a Xi or FOMA High-Speed service, please choose a compatible device.

✓ Speed

There is no guarantee of service speed with the Xi or FOMA services. Speed will vary depending on factors such as communication environment and congestion.

✓ Fixed IP Address Plan

The Fixed IP Address Plan will allow the same IP address to be assigned to each Internet connection. A fixed IP address is not available when connecting to the Xi service
