

Explanation of Important Matters Concerning Provided Services

This document has been created to explain services in accordance with the stipulations of Article 26 (Consumer Protection Rules) of the Telecommunications Business Act.

Important matters related to contract contents are explained herein. Please be sure to read it carefully before applying.

Upon use of the Service, *Asahi Net Individual Member Service Agreement*, *Prohibited Behaviour*, *Handling of Personal Information*, and *Terms of Use of the Asahi Net Docomo Hikari Service* shall be applied. Please read and consent to these Agreements before application.

For details of each agreement and policy, please refer to the following webpages.

- <https://asahi-net.jp/en/agreement/>
- <https://asahi-net.co.jp/en/corporate/privacy.html>

1. Contents of the Provided Service (Telecommunications Services)

Item	Details
Name	AsahiNet docomo Hikari (Type B)
Type	Fiber-optic connection line (FTTH access service)
Approximate maximum communication speed	Maximum 1Gbps (down/up). Maximum 10Gbps (down/up).
Communication quality	The approximate maximum communication speeds listed are the maximum according to technical standards and do not indicate the effective speeds. It is possible for connection speeds to decrease significantly due to your communication environment, network congestion, etc.
Locations where services are available	—
Restrictions related to emergency notifications	—
Services to filter content harmful to young people	—

Item	Details
Other restrictions on use	<p>To ensure communication quality and fair allocation of the network, some customers who send or receive a large amount of data during a set period of time may have limits placed on communication speed.</p> <p>To ensure the security of communication, Asahi Net may regulate communication ports for the customer's IP address.</p>

2. Usage charges

(1) Initial charges

There is no initial charge related to this contract.

※ For initial charges (including installation charges) related to this service, please confirm the NTT Docomo Hikari contract provided by NTT Docomo.

(2) Monthly charges

Type of plan	Monthly charges
AsahiNet docomo Hikari for Detached House	5,400 yen
AsahiNet docomo Hikari for Apartment	4,200 yen
AsahiNet docomo Hikari for 10Gbps	6,500 yen

* These are the charges for a docomo Hikari 2-year fixed-term contract. Without a 2-year fixed-term contract, there is an additional charge of 1,500 yen for a single-family house, and 1,000 yen for an apartment. See the NTT docomo website for details regarding charges.

(3) Call charges

No explanation of this item is available.

(4) Dialup connections

Dialup connections are not available.

3. Conditions, etc., for withdrawing applications/changing contracts

- Procedures to terminate or change contracts for docomo Hikari must be conducted as stipulated by NTT docomo. Not available with Asahi Net. Contact NTT docomo at the location indicated on the docomo Hikari contract documentation received from NTT docomo.

4. The Initial Contract cancellation System

An initial contract cancellation period applies to the telecommunications services stipulated in this contract.

- The contract can be canceled in writing within 8 days following reception of the notification of contract details. It will take effect at the time the documentation is submitted.
- In such cases, you (1) will not be billed for damages or for a penalty charge, etc. (2) However, you will be billed for telecommunications services, administrative fees, and installation fees for services received from the time the contract was concluded to the date on which the contract was canceled. The amount for (2) will be the amount indicated in this document plus the cost of any additional installation work you have requested. (3) Further, if Asahi Net has received any payment, etc., from you in relation to the contract, that amount will be returned to you (excluding amount billed in accordance with (2) above).

Kabukiza Tower 21F, Ginza 4-12-15, Chuo-ku, Tokyo 104-0061

Asahi Net, Inc. Customer Support

<Example of a written request for cancellation during the initial contract cancellation period>

- Name registered with Asahi Net
- Asahi Net User ID
- Address registered with Asahi Net
- Contact telephone number
- Contact e-mail address
- Contract date (Indicated on the notification of contract details)
- Statement of the desire to cancel the contract with Asahi Net

* Procedures to terminate or cancel the initial contracts for docomo Hikari must be conducted separately. Check the docomo Hikari contract documentation received from NTT docomo for details.

* It is necessary to conduct procedures related to docomo Hikari in conjunction with cancellation of the initial contract. Contact NTT docomo at the location indicated on the docomo Hikari contract documentation received from NTT docomo.

5. Procedures and contact information

English Customer Support, Asahi Net, Inc. Open hours: 10:00 a.m. to 5:00 p.m. weekdays Phone: 0120-577-135

6. Other

<Applying for service>

- Please apply for Asahi Net docomo Hikari at a docomo shop or by telephone.
- Instructions will be given by NTT docomo regarding coordination of schedules and questions regarding any network installation work.
- If you are already using Asahi Net and complete the change to this course, it will not be possible to revert to the present status of the course used before the change.

<Charges>

- See the docomo Hikari contract documentation received from NTT docomo regarding campaign details and contract cancellation penalties, etc.
- For Asahi Net members changing to Asahi Net docomo Hikari Course, monthly fee for the previous course before the change will not be charged. If you have remaining initial charges/cancellation penalties etc. before the changing of courses or option contract, they will be billed.
- The monthly usage charges for Asahi Net docomo Hikari will be billed by NTT docomo. Optional services provided by Asahi Net other than Asahi Net docomo Hikari will be billed by Asahi Net.
- Should a new application be made for Asahi Net at the same time as the Asahi Net docomo Hikari service is opened, the payment method to be used for billing will need to be registered with Asahi Net (credit card registration is required).
- For members who have not registered their payment method: charges for optional (chargeable) Asahi Net services will be billed together with the NTT docomo's usage charges. The billing process will be performed by NTT Finance via Asahi Net after the service opening of docomo Hikari Course. In cases where NTT Finance is unable to complete the billing process, please pay via the invoice sent from Asahi Net. If you wish other payment methods, please request through Asahi Net Member Support page.

<IPv6 Connection Feature>

- As a standard connection feature, IPv6 is offered with Asahi Net docomo Hikari (Type B) Service Course,
- To start using IPv6 Connection Feature, we need customer's personal information (user identification) registered at NTT. We request your authorization for Asahi Net to send your personal information (user identification) to NTT to process registration for you to start using IPv6 connection.
- Registration is required for FLET'S v6 Option provided by NTT East/NTT West in order to use Asahi Net's IPv6 Connection Feature. If you have not registered for FLET'S v6 Option with NTT East/NTT West, you are requested to consent to Asahi Net making a proxy application to NTT East/NTT West on your behalf.

- You must apply for the IPv6 connection feature to use the 10 Gbps service. Asahi Net will process your request to start the use of IPv6 connection feature. FLET'S v6 Option is provided by NTT docomo and therefor Asahi Net is not making a proxy application.
