## 6. Other

### <Provision of the service>

- This is a high-speed, fixed-rate internet connection service using the fiber-optic lines provided by NTT East/NTT West, or by an operator that has been allowed to provide the fiber-optic lines of NTT East/NTT West. To use the service, a contract with NTT East/NTT West or with an operator that has been allowed to provide the fiber-optic lines of NTT East/NTT West is required.
- If you are already using Asahi Net and complete the change to this course, it will not be possible to revert to the present status of the course used before the change.

### <Charges>

- In the month you change your course or cancel your membership, a full monthly charge and any other charges incurred from the use of any optional services will be billed, regardless such cancellation or change is made during the period of receiving any campaigns or other benefits.
- If you are already using Asahi Net and change to this course, the monthly charge for the month in which the course is changed will be for the course in use before the course is changed.

### <Start of charging>

- Service opening date refers to the date when the IPv6 Connection Function is first provided, or the date when the first connection is made with IPv4 Connection (PPPoE). The earlier date will be applied, and monthly charge will be free for the month which includes the service opening date. However, if the Service is cancelled within the month which includes the service opening date, monthly charge will be billed.
- If the application for the Service is made after February 1, 2022, together by newly signing up with Asahi Net or by adding new ID(s): In case where three months have passed after the following month of application without meeting the service opening date explained in the preceding item, the first day of the fourth month is considered as the service opening date, and monthly charge will be billed starting the month which includes the service opening date.

### <Notes for users of FLET'S Hikari Light lines or FLET'S Hikari Light Plus lines>

To use Asahi Net's IPv6 Connection Feature, you need to have registered for NTT FLET'S v6 Option. Please note that when you use NTT FLET'S v6 Option, a fixed amount of data traffic will incur on a monthly basis, regardless of the actual amount of internet data traffic.

- For FLET'S Hikari Light line users, internet data traffic of 40 MB/month will incur.
- For FLET'S Hikari Light Plus line users, internet data traffic of 100 MB/month will incur.

### <IPv6 Connection Feature>

- As a standard connection feature, IPv6 is available with Asahi Net FLET'S Hikari Light.
- In order to provide IPv6 Connection Feature, we need customer information (User ID) issued by NTT East/NTT West. You are deemed to have agreed that such customer information (User ID) will be provided mutually between Asahi Net and NTT East/NTT West for the purpose of providing IPv6 Connection Feature.
- Registration is required for FLET'S v6 Option provided by NTT East/NTT West in order to use

Asahi Net's IPv6 Connection Feature. If you have not registered for FLET'S v6 Option with NTT East/NTT West, you are deemed to have agreed to Asahi Net making a proxy application to NTT East/NTT West on your behalf.

- You may experience a brief connection halt in some of the services. In such an event, please reboot all the devices including computers and routers.
